

# INTEGRATED CONCEPT FOR CONVERTING SOLID WASTE TO ENERGY

Ref. No.:InConSolE/Recruitment/Notice/02

February 17, 2019

## Recruitment Notice for *Project Economist*

### The Project

*InConSolE* is a research project funded by the Bangladesh Energy and Power Research Council (BEPRC). The project combines state of the art technologies for generating electricity from solid waste in the most efficient way with minimum impact on the environment. To achieve these goals, the project is proposed to conduct an in-depth study to evaluate the concept by carrying out bench-scale to pilot-scale trials complemented with techno-economic assessment to quantify the possibility of large scale implementation through commercialization.

### The Position

We are looking for *ONE* full time Project Economist (PE). The PE will be job responsible for general accounting tasks, including reconciling and maintaining balance sheet accounts and general ledger operations, preparing journal entries, preparing monthly closing and financial reports, preparing account/bank reconciliations. The PE shall also produce periodic financial reports and other financial documents for the management. He/She will also ensure proper and complete documentation and filing for easy retrieval of all accounting related documents and perform other duties as assigned by the *InConSolE* Management. A successful candidate will serve this role for no more than 30 months. The salary and the housing allowance for the current position are as set out below:

- Salary BDT 3,36,000 (per annum)
- Housing allowance BDT 1,56,000 (per annum, tax free)

### Requirements

Bachelor's Degree in Accounting or Finance; ability to prepare and maintain the full set of accounts; Proficient in Microsoft Excel and other MS Office applications.

### How to Apply?

Applicants should send a resume and a cover letter outlining how they meet the specific requirements of the position to [recruitment@inconsole.net](mailto:recruitment@inconsole.net) by March 16, 2019.

While we sincerely appreciate all applications, only those candidates selected for interview will be contacted. The tentative date of the assessment is March 23, 2019.
